UNDOCU SERIES:
A CONVERSATION ON THE LIVES AND FUTURES OF THE UNDOCUMENTED COMMUNITY

**CLINICA DE MIGRANTES FILM SCREENING**
A documentary about the barriers the undocumented community faces when seeking healthcare. The film paints a compassionate portrait of patients at Puentes de Salud, many of whom left their families behind to perform physically exhausting labor in America for meager wages.

Contad Prebys Aztec Student Union

**UNDOCU SERIES PANEL**
A panel to discuss the implications of the current status of Deferred Action for Childhood Arrival (DACA). The panel will include professionals in the fields of economy, education and social work to discuss systematic and institutional inequities.

Contad Prebys Aztec Student Union

**ACTIVISM THROUGH ART**
An art show and lecture on activism through art from immigrant activists Julio Salgado and Yosimar Reyes. Both artists will present on the effectiveness of artistic methods and how they utilize them to empower the undocumented community.

Montezuma Hall

**INDEPENDENT CONTRACTING WORKSHOP**
A workshop led by an independent contracting consultant, who will provide the tools to be an independent contractor and will address the barriers of work authorization for the undocumented community.
